

With the rising cost of health care consumers are looking to discount plans for relief. Finding a dental care program that is affordable and provides quality care can be confusing and time consuming. Synergy Orthodontic and Dental Plan provides you with a great way to save money on your dental care needs. We provide an easy-to-use and cost-effective alternative to dental insurance without any health restrictions or unnecessary paperwork. You can enjoy discounts of up to 70% with a network of leading dental care providers. Getting your Dental Discount card is easy. Simply fill out an application and you will receive your card in the mail soon after. When it's time to use your card, simply locate a dental provider in the network, present your card to the provider at the time of service and get instant discounts. When visiting a participating dental provider, you will be charged according to Synergy Orthodontic and Dental Plan discounted fee schedule. The savings really add up when you join our plan. Become a Synergy Orthodontic and Dental Plan member and start saving today!
